

# TACOS APPLICATION

2022-2023

## What is TACOS?

TACOS stands for Teen Advisory Council of Students. The group is open to students who are in 5th-12th grade, TACOS advises Angela, the Youth Services Librarian, about programming and events, what books/movies/kits/etc should be in the collection, and other youth related items. This year they will also plan their own event in the spring.

## What are the benefits of being in TACOS?

- You get to take ownership of the library and make it a place you want to be! You will be able to have a say in what events happen and what items are available in the library.
- You can earn volunteer/community service hours! Get your required hours in at the library. Your volunteer experience also looks great on a resume or college application.
- You get to have fun! We always have snacks, sometimes we even eat tacos! Once a
- year, we have a late night member only event!

## What does it mean to become a member of TACOS?

TACOS meets the third Friday of each month at 4:00. When you become a member, you are committing to attend as many of these meetings as possible. If you attend 5 meetings in the 2022-2023 school year, you and a friend are invited to the TACOS after hours event in May. When you become a member, you will also be signed up for The Preface, the email newsletter for teens and preteens.

If you decide to stop being a member of TACOS, you will need to let Angela know in person or over email.
