What is one way that the library could improve?

Why do you want to be a member of TACOS?

Favorite Book Character: _____

Please return application to Laura by September 12th.

TACOS APPLICATION

8th-12th graders

2025-2026

Teen Advisory Council of Students

What is TACOS?

TACOS stands for Teen Advisory Council of Students. The group is open to students who are in 8th-12th grade. TACOS advises Laura, the Young Adult Librarian, about programming and events, what books/movies/kits/etc should be in the collection, and other youth-related items. They also plan their own event in the spring.

What are the benefits of being in TACOS?

- You get to take ownership of the library and make it a place you want to be! You will be able to have a say in what events happen and what items are available in the library.
- You can earn volunteer/community service hours! Get your required hours in at the library. Your volunteer experience also looks great on a resume or college application.
- You get to have fun! We always have snacks! Once a year, we have a late night member only event!

What does it mean to become a member of TACOS?

TACOS meets the third Friday of each month at 4:00 (mostly - check the calendar for exceptions). When you become a member, you are committing to attend as many of these meetings as possible. If you attend 4 meetings in the 2025-2026 school year, you and a friend are invited to the NACHOS and TACOS after-hours event in May. When you become a member, you will also be signed up for the email newsletter for teens and preteens.

If you decide to stop being a member of TACOS, you will need to let Laura know in person or over email.

If you have questions about being in TACOS, you can email Laura at lhuff@waupl.org.
